REGENERATING NIGHT CREAM

All skin types

Ref.: 0060 – Airless tube 40ml

PROPERTIES:

- More than 90% of Organic ingredients
- A formula specially elaborated to answer the specific needs of the skin during the night
- 15 exceptional actif principles for an anti-aging action reinforced

The skin doesn't have the same activity at day and night:

The skin regenerates 3 times faster at night than day, the **cellular regenerating** phase reaches a peak between 1 and 3 AM. She fixes the damages caused by diurnal attacks (pollution, UV, free radicals, climatic variations...). She is also **more receptive** to actif principles: she « lowers her guard » because she is not assaulted by the external environment. But she also **dehydrates** a lot during this period, and this phenomenon naturally increases with age. So, apply a **night cream** is an **essential gesture** for **mature skins** in order to rehydrate the skin and boost the cellular regeneration that decreases when age increases.

The Regenerating night Cream, the alliance of 15 plant actif principles:

With **more than 90% of Organic ingredients**, the **Regenerating Night Cream ANTI-WRINKLE FIRMNESS Centella** boosts the **cellular renewing**, nourishes the skin without weighing it and restores her vitality and flexibility. She contributes to fight against visible signs of age: wrinkles, lack of firmness, radiance and uniformity of complexion. Night after night the skin finds youth and elasticity.

Enriched in **French organic Everlasting flower water**, a flower with exceptional anti-aging properties, she delays the signs of the age. Nicknamed Everlasting because its beautiful yellow flowers preserves themselves exceptionally long time, her scientific name Hélichryse comes from the Greek helios = sun and chrysos = gold. This powerful actif principles favors the collagen production, a protein that ensures the elasticity and flexibility of the skin tissues. The Everlasting densifies also the dermis that is the support mattress of the epidermis.

The **Organic Centella Asiatica Extract** contributes to stimulate the collagen synthesis and to fight against the formation of free radicals. The skin seems denser, smoother and firmer.

The **Organic Lavender Water** and the **Organics Almond and Hazelnut Oils**, related to the **Organic Bean Extract** nourish the skin thanks to their softening and refreshing properties.

The **Sodium Hyaluronate** of plant origin, true « sponge » molecule, the **Organic Aloe Vera** and the **Organic Glycerin** of plant origin form a powerful moisturizing trio of actif principles promoting a better water fixation and participating to maintain the water balance of the skin.

The skin is nourished, revitalized and more flexible thanks to the **Regenerating Night Cream ANTI-WRINKLE FIRMNESS Centella** that activates the cellular renewing.
