

REBALANCING SERUM

Combination to oily skin

Ref. : 0045 – Ergopack avec pompe 30 ml

C0045 – Ergopack avec pompe 50 mL

- **96 % Regulate the skin from the first use**
- **96 % Leaves the skin clean and smooth**
- **96 % Evens out the complexion**

With more than 78% organic ingredients, the Rebalancing Serum is a fast-penetrating aqueous serum to moisturize and even out your skin. Thanks to its highly concentrated active ingredients, it has an anti-redness effect to restore the glow of your skin.

Concentrated in hyaluronic acid and moisturizing actives:

Hyaluronic acid, naturally present in the skin, is a real sponge molecule capable of retaining up to 1000 times its weight in water. It ensures good hydration of the skin, gives a plump appearance and a fresh complexion throughout the day.

In addition to hyaluronic acid, we have added organic Aloe Vera to the formula, as well as organic glycerin of vegetable origin, with powerful hydrating and soothing effects.

Thanks to this powerful hydrating trio, the Rebalancing Serum targets an immediate and long-lasting hydrating action.

A trio of plant extracts: Centella Asiatica Bio, Hamamelis and Horse Chestnut

The active ingredient of the Organic Centella cosmetic brand, Centella Asiatica has been used for over 2,000 years for skin problems. In addition to possessing anti-aging virtues, it is known for its **repairing properties**. Centella Asiatica is particularly recommended for skin with problems **and protects the skin while hydrating it**. It also has an undeniable **anti-redness effect**.

Anti-inflammatory, antioxidant and astringent, Hamamelis is a plant with multiple cosmetic properties. These properties are essential for combination to oily skin. This plant is known **to refine the skin and restore its radiance**.

The Horse Chestnut, decongestant and tonic, will act in **synergy with the other active ingredients**. This trio of plant is used as a **hydroalcoholic extract for a better efficiency** thanks to a higher concentration of active ingredients.

Organic essential oils duo: Green Mandarin and Cinnamon

Traditionally used, the organic Green Mandarin essential oil has multiple properties such as **cleansing and purifying**, ideal for combination and oily skin.

The organic cinnamon essential oil is known for its **purifying and antibacterial properties**. This essential oil, just like the green tangerine, restores the skin's tone to **enhance its natural glow**.

HOW TO USE :

Every morning, apply a thin layer in a gentle circular movement to a clean face and neck. Let the skin absorb.

COMPOSITION :

Hyaluronic acid	Hyaluronic acid allows the different layers of the skin a long-lasting hydration.
Organic Centella Asiatica extract	Centella Asiatica repairs and soothes in depth.
Hamamelis extract	Ally of skins with problems, the Hamamelis has multiple cosmetic properties.
Horse chestnut extract	Tonic and decongestant, Horse Chestnut makes your skin glow.
Organic Glycerin	A powerful moisturizing agent, it protects the skin from dehydration and gives it an irresistibly soft touch sensation.
Organic Aloe Vera juice	Powerful moisturizer, Aloe vera improves the cohesion of the skin barrier cells and thus protects the skin from water loss.
Organic cinnamon essential oil	Purifying and invigorating, cinnamon also has excellent antibacterial properties.
Organic Green Mandarin essential oil	Traditionally recognized for the care of problem skin, the green mandarin has a purifying action.

INCI :

Aloe barbadensis leaf juice*, Aqua, Alcohol, Glycerin, Centella asiatica extract*, Hamamelis virginiana extract*, Aesculus hippocastanum extract*, Cinnamomum zeylanicum bark oil, Citrus reticulata peel oil*, Sodium hyaluronate, Sodium hydroxide, Dehydroacetic acid, Benzyl alcohol, Limonene, Cinnamal

*Ingredients from Organic Agriculture.

**Ingredients from fair trade.

REBALACING FLUID CREAM

Combination to oily skin

Ref. : 0046 – Airless pompe 40 ml

C0046 – Airless pompe 100 mL

- **86 % matifies the skin**
- **90 % refine the skin texture**
- **93 % rebalance the skin**

With more than 95% organic ingredients, the Rebalancing Fluid Cream is a light, fluid emulsion that matifies and enhances your skin all day long. Quickly absorbed, it moisturizes your skin and is an excellent makeup base.

Organic Aloe Vera and Organic Centella Asiatica concentrate

Thanks to its multiple properties: **antiseptic, antioxidant and anti-inflammatory** in particular, Organic Aloe Vera is a precious ally for combination to oily skin. It unclogs pores to prevent the appearance of blackheads along with moisturizing the skin. Rich in vitamins and minerals, Aloe Vera has a regenerating **action and an immediate tightening effect**.

The active ingredient of the Organic Centella cosmetic brand, Centella Asiatica has been used for over 2,000 years for skin problems. In addition to possessing anti-aging virtues, it is known for its **repairing properties**. Centella Asiatica is particularly recommended for skin with problems **and protects the skin while hydrating it**.

Organic vegetable oils trio for your skin: Jojoba, Hazelnut and Sweet Almond

Used in traditional African and Amerindian medicine, organic Jojoba oil has a composition similar to human sebum, which makes it better assimilated by the skin. Able to **balance the production of sebum**, essential for combination to oily skin, Jojoba oil also has antibacterial properties limiting skin infections.

Thanks to its tannins, the organic and fair-trade hazelnut oil **has astringent properties, cleans and tightens the pores** along with eliminating bacteria. It helps to purify and cleanse oily skin by regulating sebum's production to **fight against skin imperfections**. Moreover, the organic and fair-trade hazelnut oil, very well adapted to sensitive skins, has a high level of fatty acid and vitamin E, allowing it to **hydrate and nourish the skin**.

Rich in vitamins, minerals, omega 6 and 9, the Organic Sweet Almond oil has **antioxidant and moisturizing properties**. Endowed with anti-inflammatory and calming virtues, **it helps to prevent the development of potential bacterial infections** that causes imperfections.

These vegetable oils will balance your skin and moisturize it gently.

Organic essential oils duo: Green Mandarin and Cinnamon

Traditionally used, the organic Green Mandarin essential oil has multiple properties such as **cleansing and purifying**, ideal for combination and oily skin.

The organic cinnamon essential oil is known for its **purifying and antibacterial properties**. This essential oil, just like the green tangerine, restores the skin's tone to **enhance its natural glow**.

HOW TO USE :

In the morning and/ or evening, apply on a perfectly cleansed face and neck with gentle circular movements. Let the skin absorb. This fluid cream can be used as a make-up base.

COMPOSITION :

Organic Aloe Vera juice	Powerful moisturizer, Aloe vera improves the cohesion of the skin barrier cells and thus protects the skin from water loss.
Organic Centella Asiatica extract	Centella Asiatica repairs and soothes in depth.
Organic Jojoba oil	Regulate oily skin, Jojoba soothes sensitive skin along with protecting it from external aggressions.
Organic sweet Almond oil	Anti-inflammatory, the sweet almond oil hydrates the skin in depth.
Organic and fair-trade hazelnut oil	Hazelnut has softening, moisturizing and regulating properties.
Organic cinnamon essential oil	Purifying and invigorating, cinnamon also has excellent antibacterial properties.
Organic Green Mandarin essential oil	Traditionally recognized for the care of problem skin, the green mandarin has a purifying action.

INCI :

Aloe barbadensis leaf juice*, Corylus avellane (Hazel) seed oil*, Simmondsia chinensis (Jojoba) seed oil*, Prunus amygdalus (Sweet Almond) dulcis oil*, Hydrogenated vegetable glycerides, Sodium stearoyl glutamate, Centella Asiatica flower/leaf/stem extract*, Glycerin**, Citrus reticulata peel oil*, Cinnamomum zeylanicum bark oil*, Triticum monococcum stem water*, Tocopherol, Helianthus annuus (Sunflower) seed oil, Aqua, Xanthan gum, Citric Acid, Sodium benzoate, Potassium sorbate, Dehydroacetic acid, Benzyl alcohol, Limonene, Cinnamal
