

CENTELLA 

PRECIOUS ORCHID CREAM

Anti-ageing · Ultra-nourishing

All skins

At the heart of this unique **anti-ageing** formula, the White Orchid reveals its multiple benefits. An **exceptional cream** : the result of **50 years of expertise** from Roig Laboratories. A remarkable infusion of **regenerating** and **nourishing** active plant extracts and Centella Asiatica stem cells. This unique care **sublimates** your skin, making it appear more **beautiful, firmer** and more **radiant**.

White Orchid : Queen of scented plants

A symbol of luxury and refinement, the **White Orchid** is an exquisite flower that evokes images of **timeless beauty**. Rich in flavonoids and organic acids, its extracts have **restorative** properties. Preventing water loss, this beautiful flower helps to calm sensitive skin and give **uniformity** and **radiance to the complexion**. Also containing proteins and amino acids, the white orchid has **moisturizing** and **soothing** properties.

The Centella Asiatica and Hyaluronic Acid : powerful anti-ageing ingredients for your well-being

A **legendary** plant with **exceptional anti-ageing** properties, **Centella Asiatica** stimulates the qualitative and quantitative production of **collagen** in the skin, thus **regenerating** it.

Rare and **precious** active ingredients from the heart of **Centella Asiatica**, **stem cells** are the very first cells that make up the plant. They give the skin **powerful antioxidant**, **anti-ageing** and **protective** properties.

Also present in this cream in the form of organic extract, **Centella Asiatica** is nicknamed **Tiger Herb** because these felines roll on its leaves to repair their wounds. Highly appreciated in Asia and particularly in China, it has been the **flagship active ingredient** of the Centella brand since 1972. This precious plant is suitable for all skin types.

A **super-powerful moisturizer** (capable of retaining up to **1 000 times** its weight in water) and a true **elixir of youth**, the **hyaluronic acid trio**, with short, medium and long chain lengths, provides **intense** and **long-lasting hydration**, leaving the skin **soft, smooth** and **younger-looking**.

Aloe Vera, Immortal and Rose : For a radiantly beautiful skin

The **comfort** of your skin being essential, the **Organic Aloe Vera** contained in this cream favors the **hydration** and **soothes** gently the skin weakened by the external aggressions.

The **Organic Immortelle Extract**, also called Helichrysum or "**Flowers of the sun**", is a plant cultivated around the Mediterranean basin, with numerous **antioxidant** and **anti-ageing** qualities. It will improve the appearance of your skin, help **protect** it from the formation of free radicals and **regenerate** it in depth.

A must in natural cosmetics, **Organic Damask Rose** floral water will seduce you with its many properties adapted to all skin types. Delicate flower, it takes care **gently** of the most sensitive skins, **delays the cutaneous ageing** and **purifies** the mixed and fatty skins.

Shea Butter, Hazelnut and Sesame : organic, nourishing and fair trade for a moment of relaxation

Legend said that *Nefertiti*, **Queen of Egypt**, used **Shea Butter** as a beauty care, so this active ingredient is **essential** in this cream. Rich in vitamins and essential fatty acids, the **Organic** and **Fair Trade Shea Butter** contributes to deeply **nourish** and **soothe** the tight and tired skins. Its rich texture allows your skin to regain its **suppleness** and **elasticity** while helping it to fight against external aggressions.

Thanks to their tannins, the **Organic** and **Fair Trade Hazelnut** and **Sesame** Oils have a **repairing** and **softening** action promoting the regeneration of the cutaneous hydrolipidic film. Particularly adapted to the sensitive, dry and dehydrated skins, they stimulate the **nutrition** of the skin thanks to their high composition in **essential fatty acids** and in **vitamin E**.

DIRECTION FOR USE :

Throughout the year, every day, morning and evening, on your perfectly cleansed skin, apply **Centella Precious Orchid Cream Anti-ageing** in light circular motions to your face and neck for optimal **well-being** and **comfort**.

Depending on your skin type, use it as follows:

- You have dry skin and lack of moisture: apply the cream morning and/or evening.

PRECIOUS ORCHID SERUM

Anti-ageing . Moisturizing

All skin types

This **exceptional ultra-concentrated care** restores your skin's **youthful radiance**. This serum deploys its **anti-ageing, firming** and **regenerating** properties. Endowed with the incredible life force of **White Orchid**, this serum reveals prodigious **anti-wrinkle** and **moisturizing** properties. Also enriched with the signature ingredient, exceptional **Centella Asiatica stem cells** with remarkable regenerating power, and a trio of super-moisturizing **Hyaluronic Acid**.

The White Orchid: Queen of fragrant plants

A symbol of luxury and refinement, the **White Orchid** is an exquisite flower that evokes images of **timeless beauty**. Rich in flavonoids and organic acids, its extracts possess **restorative** properties. Preventing water loss, this magnificent flower helps to soothe sensitive skin and give **evenness** and **radiance** to the complexion. A fascinating and mysterious flower, rich in proteins and amino acids, it has exceptional **anti-ageing, moisturizing** and **soothing** qualities.

Centella Asiatica: a powerful anti-ageing active ingredient for your well-being

A **legendary** plant with exceptional **anti-ageing** properties, **Centella Asiatica** stimulates the qualitative and quantitative production of **collagen** in the skin, helping to **regenerate** it.

A **rare** and **precious** active ingredient from the heart of Centella Asiatica, **stem cells** are the very first cells that make up the plant. They provide the skin with powerful **anti-oxidant, anti-ageing** and **protective** properties.

Centella Asiatica is nicknamed **Tiger Herb** because felines roll on its leaves to repair their wounds. Highly appreciated in Asia, particularly China, it has been the Centella **brand's flagship** active ingredient since 1972. This precious plant is suitable for all skin types.

White Hibiscus : the botox plant

White hibiscus, sometimes nicknamed "**the botox plant**", is a flower with remarkable virtues for the skin. It is prized for its **anti-ageing** and **moisturizing** properties, which help maintain **younger, more radiant** skin. Thanks to its composition rich in **antioxidants, vitamin C, fruit acids** and **organic acids**, this flower offers a gentle, stimulating exfoliating action for the skin.

Hyaluronic acid: powerful moisturizer

A **star moisturizing active ingredient**, capable of retaining up to **1,000 times** its weight in water, and a veritable **elixir of youth**, the **trio of hyaluronic acid**, with short, medium and long chain lengths, delivers **intense, long-lasting hydration**, leaving skin soft, smooth and **younger-looking**.

✓ **High-molecular-weight** hyaluronic acid is a large molecule and cannot penetrate the skin barrier, so it acts on the skin's surface where it forms a **protective, moisturizing film**. These chains intervene primarily on **hydration** and **firmness**.

✓ **Medium-molecular-weight** hyaluronic acid offers **rapid, long-lasting hydration**.

✓ **Low-molecular-weight** hyaluronic acid, on the other hand, is able to penetrate deeper, activating collagen and elastin synthesis, thus intervening on skin elasticity and diminishing the appearance of **fine lines** and **wrinkles** by **plumping** the skin.

Retinatural : retinol like

Retinatural contains **natural retinal** produced by the micro-organism *Halobacterium salinarum*, with numerous benefits for the skin. It helps **reduce fine lines and wrinkles** while increasing **skin elasticity**. It is also known to reduce the appearance of acne and **skin hyperpigmentation**. This multi-purpose active ingredient also treats **rosacea** by improving signs of vascularization and hydration.

Lactic Acid (AHA) and Mahogany Fruit: moisturizing and anti-dark spot complex

Lactic acid is a fruit acid extracted from the sugar contained in some fruits. Rich in **AHAs**, it has numerous benefits for the skin. In particular, it stimulates **collagen synthesis**, **moisturizes** the skin and gently exfoliates, without aggressing sensitive skin.

Lansium Domesticum (Mahogany Fruit) is a **natural complex** that **lightens** and **reduces blemishes**. By acting directly on **melanin synthesis**, it is clinically proven in vitro and in situ to lighten skin and **correct pigmentation spots**.

DIRECTIONS FOR USE:

Discover **Precious Orchid Serum**, its **silky-smooth** texture and all the ways to enjoy it: Every day, all year round, apply the serum morning and evening to perfectly cleansed skin, using light, circular movements on the face and neck for optimum **well-being** and **comfort**. Continue your routine with **Precious Orchid Cream**.

BEAUTY TIP: A TIMELESS RITUAL

Personalize your routine for even greater pleasure. A few drops of Precious Orchid Serum transform classic textures into the ultimate pleasure.

Combine your serum with the highly prized Precious Orchid Cream for a creamy texture.

1. Place a dab of cream in the palm of your hand
2. Add 1 drop of serum to your hand where the cream is
3. Press your hands together for a few seconds to warm and mix the products in circular movements
4. Gently apply to your face in circular motions
